This vintage Moroccan Rehamna exhibits loose meandering lozenge chains in between vertical bands of smaller networks. The central field of motifs is more abstracted, with vibrating symbols and some filled lozenges. A horizontal row of double triangles towards one end represents friendship and mating. Knotted in an unusual palette of loden green/grey, midnight blue (almost black), red, orange, and ivory. Flat weave bands finish the piece at both ends. 100% wool.
