item no.   Cupola.Lamp.Aubergine

dimensions.   18"H x 14"W x 14"D

**The Cupola Lamp is a primitive form with tripod legs in solid beech wood, and its shade and body made from papier-mâché. The fabrication process involves molding, polishing, and waxing the proprietary handmade bioplastic pulp composed of recycled paper, flour and plaster. The final product is soft, tactile, and full of personality. Made in France by designer Henri Dejeant.
  Accommodates (1) G9 LED bulb. Note dimensions are approximate, as each piece is slightly irregular due to the production process.
  Price: $500**
