A vintage Moroccan Aït Bou Ichaouen (Talsint) hanbel with an intriguing color combination. The flat weave construction with pile motifs is woven in a saturated palette of deep plum and purple-red tones, striped with turquoise and deep violet. Multicolored horizontal bands of zig zags alternate to create rows of small lozenges. Some are filled with smaller diamonds, and others appear to vibrate slightly based on color choices made by the weaver. 100% wool.
