Tripod lamp, Large. Natural

dimensions.

15"h x 7.5"W x 7.5"D

**A larger version black tripod steel base set on wooden feet is combined with a molded pulp shade, giving this simple form a presence and life all its own. Made in Morocco by French born designer Henri Dejeant, this collection of lamps is fabricated from hand molded paper pulp with 90% recycled paper content. Each piece is hand burnished and waxed, creating a finish reminiscent of Moroccan tadelakt. Note dimensions are approximate, as each piece is slightly irregular due to the production process. Maximum 40W A19 incandescent or LED equivalent bulb.
